

What is a Family-School Compact?

A Family-School Compact for Achievement explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- BEGIN with students
- FOCUS on student learning
- RESPOND to school data
- DEFINE everyone's responsibilities—and
- DEPEND on us to believe in it and use it!

Jointly Developed

The parents and staff of Aurora School developed the Family-School Compact for successful partnership. Parents helped create this brochure to provide information to increase parent involvement. School-wide meetings are held each year to review the compact. Parents are welcome to contribute comments at any time.

For more information on this compact please contact Dani Kelley at 304-735-3781 or drkelley@k12.wv.us

Student Learning

Aurora School is committed to frequent two-way communication with families about children's learning. The following are some ways we communicate with parents:

- Classroom Agenda/Folders
- Newsletters
- Parent Teacher Conference
- Phone Calls
- Live Grades
- Midterm Reports/Report Cards
- i-Ready Benchmark Reports
- School Messenger Calls
- School Website

VISION & MISSION STATEMENT

Mission: Lifelong Learners; Lifelong Leaders

Vision: Aurora School's vision is to prepare and motivate our students to become lifelong learners who exhibit leadership, citizenship, kindness, perseverance, and compassion by instilling in them critical thinking skills, collaborative skills, and high expectations that are essential in today's global environment. We seek to foster relationships between families, our community, and our school to educate the whole child and to ensure they are prepared for the future.

Aurora School Core Beliefs for Student Achievement

- Student success takes collaboration and cooperation among students, faculty, families, and the community.
- Given the proper supports, all students have the ability to learn.
- Learning is a lifelong endeavor that extends beyond the school walls.
- Educating the whole child requires teaching personal skills and traits such as compassion, empathy, kindness, resiliency, as well as academic skills.

Student Activities

- Reading Challenge
- 1:1 Technology Initiative
- Brain Freeze
- Award Programs
- Field Trips
- After School Explorers
