Dear Aurora School Parents,

Afterschool Explorers (ASE) will be virtual this year through **TEAMS**. ASE will be offering tutoring services, homework help and enrichment through **TEAMS** the approved platform from the Central Office. When your family participates in Afterschool Explorers you are helping your child learn in these crazy Covid times. There will also be enrichment activities along with special family night events.

ASE will offer a **TEAMS OPEN HOUSE** for school day staff, students, and families on Tuesday, **October 27, from 4-6pm**. On Wednesday, **October 28, from 4-6pm** ASE will be offering help and support to students. This will continue M-Th from 4-6pm.

Here is the URL for parents to register their child with ASE. Registration **MUST** be completed before attending ASE TEAMS.
