Preston County Strategic Plan

DATE PUB: 11/01/2013

SECTION I - MISSION STATEMENT - What are the core beliefs that guide improvement? What does the district want to accomplish for students?

CORE BELIEFS:

1. All individuals can learn. 2. We as educators can and do make a difference. 3. We have the obligation to prepare all individuals for success.

MISSION STATEMENT:

Pride, Commitment, Success

SECTION II - GOALS - What are the district's improvement goals? What evidence will be used to judge success in accomplishing these goals?

GOALS: EVIDENCE (EV):

Goal1. Each school in the district shall meet or exceed the school's accountability index score.

EV1. All schools will achieve the accountability index scores as shown in the yearly assessments.

Goal2. Preston County Schools will reduce the budget deficit by 50% during the 2014 fiscal over the 2013 fiscal year balance of -1.5 million dollars.

EV2. Evidence will be indicated in the 2014 financial report.

NOTE: Red background for goal indicates no action items recorded for that goal.

SECTION IIIA - ACTION PLAN - What core actions or processes will be implemented to accomplish the goals?

ACTION PLAN:

Goal 1: Each school in the district shall meet or exceed the school's accountability index score.

Action Step		Person(s) Responsible	Funding Source(s)	Progress Monitoring
