## SPHERES ISS CHALLENGE

**Summer is here and everyone is making plans!**

**Here is some fun and exciting news for students in grades 5-9 (rising 4<sup>th</sup> graders too!).**

South Preston School, Bruceton School, Kingwood Elementary and West Preston School will be hosting **Zero Robotics** for the 3<sup>rd</sup> year this summer.

The schedule will be from 8am-1pm starting July 10<sup>th</sup> and run through July 28<sup>th</sup> (M-F)  
The **Zero Robotics** team only has 20 available spots at each site.

**ZERO ROBOTICS** is part of a nationwide competition to write computer code to move spheres on the International Space Station rotating above the earth.  
Students will travel to NASA for a field trip about the competition.

Learn about Zero Robotics and sign up on May 20<sup>th</sup> at Family Adventure Day at the Craig Civic Center!
