

Dear Parents/Guardians,

On Tuesday, March 27th, we will be having our second of two Student Led Conference events. This is a new experience at Bruceton School. We view this as a positive opportunity for students to emphasize their strengths, acknowledge their weaknesses, and with you in attendance, plan for their approach to the next grading period. It is also an opportunity to open up or improve the lines of communication with your child about their education. We strongly encourage you to be a positive part of this conferencing process.

We have decided to do student led conferences because:

- Students assume greater control of their academic progress.
- Students accept personal responsibility for their academic performance.
- Parents and students engage in open and honest dialogue.
- Students learn the process of self-evaluation.
- Students develop organizational and oral communication skills.

This is not the typical parent-teacher conference. Teachers are present to support students if needed. **Teachers will not engage in private conversations about your child at this time.** If you need another conference, please schedule with your classroom teacher.

Please fill out the lower portion of this form and return to your child's homeroom teacher.
