

What is a Family-School Compact?

A Family-School Compact for Achievement explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- BEGIN with students
- FOCUS on student learning
- RESPOND to school data
- DEFINE everyone's responsibilities—and
- DEPEND on us to believe in it and use it!

Jointly Developed

The parents and staff of Central Preston Middle School developed the Family-School Compact for successful partnership. Parents helped create this brochure to provide information to increase parent involvement. School – wide meetings are held each year to review the compact. Parents are welcome to contribute comments at any time.

For more information on this compact please contact David Cox at 304-329-0033
