SUCCESS

PARTNERING WITH FAMILIES FOR THE BENEFIT OF OUR STUDENTS

With a different approach to family and business partnership due to COVID, we will be holding parent and community meetings virtually. We will need to know who would like to be invited, and any links will be sent by email.

What is LSIC?

- The LSIC is directly involved with the operation of the local school in many ways.
- reviews discipline data and procedures
 - encourage involvement of the school community with the school operation
 - support local initiative for school improvement

Title I Parent Involvement

Each year the school district will work with parents of children served in Title I Programs in order to jointly develop and agree upon a proposed written parent involvement policy to establish expectations of the involvement of such parents in the education of their children.

Unfortunately, we will be unable to have parent volunteers in the building this year

If you are interested in joining either of these meetings, please complete the form in the link below
