Service Project: Planned Act of Kindness

Brown Bags for Vets

Sponsored by North Central WV Joining Community Forces

Brown Bags for Vets is a project to help our veterans and service members who are undergoing medical procedures and have to travel to the Pittsburgh VA Medical Center for care. Many times these procedures require fasting. These veterans have to travel on the bus from the Clarksburg VA Medical Center, get their medical care in Pittsburg, and be on the bus to travel back the same day. This leaves little or no time to make the travel requirements, and get something to eat. Many of the patients need to eat after their fast due to medical conditions. The Brown Bags are also donated to the Hospice Department at the Clarksburg VA Medical Center for family members who do not want to leave the bedside of their loved one at this critical time.

The food items need to be non-perishable, lunch size, such as the following:

- Tuna salad or Chicken salad can or packet with pop tab
 - Fruit cups or apple sauce
 - Peanuts, dried fruit
- Cheese crackers, Peanut butter crackers
