WVEIS Employee Self Serve

This application will allow the employee to view basic information, checks and W2’s.

To access the website, type in https://wveis.k12.wv.us/countempol.
Registering for the First Time

The first time user must register. Click on Register below the Log In button.
You will be asked to enter your Employee ID (found on your check stub or you can contact your payroll office), County Code, Last Name, Birth Date and last 4 of your SSN.
You will then be asked to setup a password and a number of security questions that will be used if you forget your password. The cell phone is optional but would be used to text you your pin should you need to change your password. Create and answer your own security questions. Click Submit when finished.

Once you have successfully registered, you will have the option to log in to view your employee and pay information. Click on ”log in” to continue.
Enter your Employee ID (found on your check stub or contact your payroll office) and your password entered during the Registration or I Forgot My Password process. If you have not registered, refer to the registration process described above.
Once you are logged in, you have access to payroll and pay history information. Click on the information you want to view on the left side of the screen. If you have any questions or problems with the information, contact your payroll office. Once you are done, click on Log Out.
Resetting my Password

If you forget or want to change your password, you can reset it on the Log In screen. Click on “I Forgot my Password” under the Log In button.
You may enter your PIN# or other information to have a text or email sent with your new password. You will only use a PIN to reset your password if you chose Text Message as your contact method during the password reset process.

A screen will pop up to let you know an email or text has been sent. You will receive the following message: To reset your password for the County Employee Online Application, click on the link below.

**Reset County Employee Online Password**

Click on the link to continue the password reset process. You will be asked to answer a couple of security questions if using email.
You will be asked to enter your new password.

If you entered a PIN#, the screen will pop up to enter your new password and PIN#.
Click Continue to log in with your new password.

**Changing Registration**

If you need to change your email address, cell phone or security questions, click on the Registration tab on the left.
You will be able to change any of the information on the screen. Hit submit to save your changes. You will have to re-enter your email address to submit. The screen will continue to display, you can then go to another feature on the left side of the screen or Log Out.
